To: Whom it may concern

Donations to The Archie Foundation can be made using the bank details below. Please be sure to include a reference:

Account Name: **The ARCHIE Foundation**
Sort Code: 80-11-00
Account Number: 06079947
Reference: your name, the name of your fundraising event etc

In addition to the reference it is really helpful if you could drop us a very quick line to make us aware of your donation and (most importantly) so we have contact details to be able to thank you! Please email us at hello@archie.org, providing details of the date and amount transferred and the reference used on the transfer.

Making an unrestricted donation allows the charity to designate funding to the most pressing needs. We understand that our donors occasionally wish to restrict their donations to specific services areas or projects. If this is the case please ensure that you specify this when making your donation so that we can honour your request.

Thank you for helping Archie to be here for babies, children and families when they need it most.

Kind Regards

The Archie Foundation
