

Archie's 2025 Advent Sponsorship Opportunities

Christmas should be a time of joy and celebration but for some it can be one of the hardest times of their life.

Bereaved children experiencing their first Advent without their special loved one. New parents spending an anxious first Christmas with their baby in one of the neonatal units we support. Young patients facing their first, and for some their last, festive season in hospital. And, of course, the NHS staff who work tirelessly, caring for them. With your help we can make a priceless difference this Christmas.

What will you do to support? ❤️

£25 - Help Make Sure There is Room At The Inn

When a child is rushed to hospital, their parents and family want to stay as close to them as possible. The Archie Family Centre allows parents to stay close to their child in hospital when they are needed the most. Help us to keep providing this service for free to every family that needs it.

£100 - Provide Special Books & Support for Bereaved Children at Christmas

Many children across north Scotland will be facing their first Christmas without a parent or loved one. Our specially written bereavement books can help guide children through the grieving process - and our Archie Child Bereavement Service is always there over the Christmas period.

£250 - Sponsor a Week of Toy Box Top-Ups

Help Archie spread smiles across the wards by keeping the hospital toy boxes full not just for Christmas but throughout the whole year!

Your support ensures children have comforting distractions that ease anxiety and make hospital visits more positive.

£1,000 - Sponsor Gift Hampers for NHS Staff

Your generosity helps us create beautiful hampers filled with teas, coffees, and special treats. A heartfelt thank-you to staff who dedicate themselves to caring for others all year round.

£500 - Treat Our Incredible NHS Staff

Show appreciation for our hardworking NHS heroes with a well-deserved festive treat in each week of December. Your support helps staff take a moment to relax and recharge during one of the busiest times of the year.

£500 - A Thoughtful Treat for Parents and Carers

Christmas in hospital can be especially tough for parents. Your support allows Archie to provide small acts of kindness throughout the month of December – thoughtful treats that remind families how strong and loved they are.

£1000 - Christmas Gifts for Home Care Patients

Not all children supported by Archie are in hospital. Your sponsorship helps us deliver Christmas gifts to children receiving care at home, ensuring they too feel part of the festive magic.

£3,325 - Sponsor the Family Centre for One Week

Help us keep families together over Christmas. Your support covers accommodation for all 19 rooms in our Aberdeen Family Centre, providing a free, welcoming space for families to stay close to their children without the added worry of financial strain.

£1,250 - Sponsor Our Neonatal Counsellor for A Month

Baby's first Christmas should be a time of joy but for some parents it will be spent at their baby's cotside in Aberdeen Neonatal Unit. The Archie Foundation funds a specialist neonatal counsellor, who supports parents and families going through some of the hardest moments imaginable. Your gift provides essential emotional support when it is needed most.

**YOUR IDEA
HERE!**

These are just some of our plans, if you have any suggestions to make the festive season extra special we would love to hear from you! If you'd like to get involved this Christmas please get in touch .

There are so many wonderful ways we can work together to support babies, children, and families this festive season and beyond, from sponsoring a day of festive fun to hosting a Giving Tree in your workplace. Fundraising possibilities are limitless, however you choose to help, your support will make a real difference this Christmas and well into the New Year.
